Cod. 1001BM

Big ergonomic brush - Blue - Medium bristle

Ergonomic brush ideal for cleaning large flat surfaces. The perfectly even trim ensures excellent surface contact, and the angled bristles help remove dirt from corners and edges. The ergonomic shape provides a secure grip, while the glossy finish makes it highly hygienic. Equipped with a large anti-drip hanging hole for proper storage and an innovative marking to guarantee traceability throughout the entire supply chain.

Certifications and regulatory compliance

- Regulation (EC) No 1907/2006 (REACH) and updates
- FDA CFR Title 21 and amendments
- Regulation (EU) No 1935/2004 and amendments
- Regulation (EU) No 10/2011 and amendments
- Regulation (EU) No 2023/2006 (Good Manufacturing Practices GMP) and amendments

Conditions of use and safety requirements¹

Operating temperature	min -20 / max 80 C°
Dishwasher resistance ²	Tested at 65°C according to BS EN 12875-1:2005
Steam sterilization	-
Instructions for use	• Remove all packaging and/or labels. • Sanitize/disinfect according to HACCP protocol. • Hang the tool using appropriate hooks/supports. • Allow to dry completely before use.
Signs of deterioration	The product must be regularly inspected. Observable signs of deterioration include: • Deformation of bristles (e.g. from dishwasher use); • Material softening, breakage, or discoloration; • Detachment of parts or structural damage. If any such issues are detected, the product must be withdrawn from food contact use and replaced, as also required under Regulation (EU) 2023/988 on general product safety.

Technical specifications

Length (mm)	230	Bristle height (mm)	35
Width (mm)	100	Material	PP - PBT
Height (mm)	55	Net weight (kg)	0,24
Bristle (mm)	Medium - Ø 0,5	Quantity per pack (pcs)	6

¹ in accordance with Regulations (EU) 2025/351 and 2023/988

² Exposure to high temperatures or intensive cycles may cause bristle deformation or material degradation.
